Title: Baa Baa Sheep Ranch
Norman, Oklahoma

The display shows a sheep ranch with Botball Guy (Sheep) There is a panorama showing the ranch and the display includes autonomous robots that are task specific:

- Dog robot that herds the Botball Sheep
- 2 Pooper Scooper robots that collect the poop
- Sheepherder Wagon robot that drives around the ranch
- Hay Wagon robot that transports the hay from the barn to the sheep.

The ranch includes a barn, silo, hay, sheep grazing pen and working robotic machinery. There is background music “Only Solution” by Journey and “If Everyone Cared” by Nickel Back.
